

2011 KSME Annual Fall Conference

EXCO(Daegu, Korea). November 2-4, 2011

It is our pleasure to invite you to attend the 2011 KSME Annual Fall Conference, which will be held at the EXCO(Daegu), Korea on November 2-4, 2011. The conference will cover a wide spectrum of topics in the field of mechanical engineering, and there will be a mix of lectures, workshop, oral and poster presentations presented throughout the conference. In the previous years, we held the annual conference in great success. In 2009, 1,063 participants registered to the conference and 615 papers were presented. In 2010, as many as 1,438 applicants participated and a whopping number of 910 papers were presented throughout the conference.

- Date: Wed, November 2nd, 2011 ~ Fri, November 4th, 2011.
- Venue: EXCO (in Daegu)
- Abstract Submission Deadline: September 1, 2011
- Final Paper Submission / Presenter Pre-registration deadline: September 8, 2011
* Paper submission should be done after completing pre-registration.
- Pre-registration Deadline (participants not presenting): October 14, 2011
- Presentation time (estimation): 1) Oral - 15 minutes (12 mins presentation, 3 mins Q&A) 2) Lecture: 30 mins
- Highlights Event : Special lectures • Invited speeches • International session • Industrial sessions • Oral & poster presentation
• Presentation of promising scientists and engineers • Special session
• Workshops • Social activities
- For More information, please visit our website (<http://www.ksme.or.kr>).

TOPICS

MATERIALS AND FRACTURE

CAE AND APPLIED MECHANICS

DYNAMICS AND CONTROL

PRODUCTION AND DESIGN ENGINEERING

THERMAL ENGINEERING

FLUID ENGINEERING

ENERGY AND POWER ENGINEERING

RELIABILITY ENGINEERING

BIO ENGINEERING

MICRO-NANO ENGINEERING

The Korean Society of Mechanical Engineers was founded in 1945 and has grown up to be one of the most successful technical societies in Korea with over 16,000 members. The mission of the KSME is to facilitate advances in the fields of Mechanical Engineering in industry and academia in order to contribute to the interest of general public. The Society has ten technical divisions and eight regional committees which hold their own conferences and various meetings every year.
